## Blueprint 2016

*Philanthropy and the Social Economy: Blueprint 2016* explores how changes in the nature of employment, made possible by new technologies, will lead to a shift in the role and approach of civil society organizations. This annual forecast by scholar Lucy Bernholz is published by GrantCraft, a service of Foundation Center. *Blueprint's*

signature features include predictions of global events in the coming year and a "Buzzword Watch." [Download the report >](#)
